About Pope Resources

Pope Resources, a publicly traded limited partnership, and its subsidiaries Olympic Resource Management and Olympic Property Group, own or manage 196,000 acres of timberland and development property in Washington, Oregon, and California. We also manage, co-invest in, and consolidate three timberland investment funds that we manage for a fee. In addition, we offer our forestry consulting and timberland investment management services to third-party owners and managers of timberland in the same three states mentioned above. The company and its predecessor companies have owned and managed timberlands and development properties for more than 150 years. Additional information on the company can be found at www.poperesources.com. The contents of our website are not incorporated into this release or into our filings with the Securities and Exchange Commission.
